Toyee Celebrates Groundbreaking on Sunday, August 31

On Sunday, August 31, 2008, about 75 people gathered from area churches, to celebrate the groundbreaking for the Toyee Chapel. The congregation of about a dozen people have been working, one fry-bread sale at a time, to build a fund to build a house of worship to replace their aging portable structure. They plan to begin with pouring the concrete for the foundation. Tax-deductible charitable contributions for the Chapel project can be made through Red Mesa Foundation at PO Box 4470, Gallup, NM, or on-line at www.redmesafoundation.org
